INSIDE LOOK

There are some new faces on our M&M team. Amanda, Kayla & Levi are bringing innovative ideas and new approaches, to give you unmatched service.

SPRINKLERS

Our team has worked hard to get sprinklers shut down, for many of you. Thank you all for your help. If you see any running water at your property, please contact the office immediately. 801-897-2265

TENANT HIGHLIGHT

Meet Allie.

She is one of our newest tenants, that just moved from Texas to Draper. She's a Siberian Husky and is loving the cooler temperatures that Utah is offering.

She also loves rocking her M&M merch! If you, or your furry friend, want a frisbee, hat or t-shirt stop by the office.

MAINTENANCE

Doorstops: It is amazing that such a small gadget can save so much in averting unnecessary holes and damage.

Filters: a clean filter prevents dirty ceilings, walls, and clogged coils. It also promotes healthy air, saves on utilities & prevents unnecessary maintenance costs.

FURNACE TIPS

Thermostat Switch needs to be on Heat and Auto.
Check or change batteries if needed.

Keep Furnace area clean and clear, and make sure that the furnace door is closed properly to activate the safety switch.

If issues persist, please submit a work order through your tenant portal.
